6.40pm	Craft	Construction	Boxes, bits and pieces	All
6.55pm	Activity	Each group presents their masterpiece: What it is; what it does or where it lives		All
6.40-7.05	Craft	Joeys withdrawn to finish craft for Fathers		Warru/Kabul
7.05pm	Game	Guess colour game	Smarties	Warru/Wombat
7.10pm	Ceremony	Closing Parade	Closing Date for Reptile Park A1 and Money Collect Raffle books & \$	Kabul
	Spare Activity			

Leaders Available:	Parent Helpers: N/A Rama: Toby
Attendance: Total Membership:	Birthdays:
Announcements	About Activities: Collect Notes and Money for Reptile Park
<p>Comments: Jackie and Beth to bring boxes, egg cartons etc. and knives; Beth bring plates; Jackie prepping flat-pack boxes and bringing shredded Paper. Pet Rocks were prepared by dipping in acrylic ceiling white paint. Colours used should be acrylic quality paints, not kids' general purpose paints as these do not give good coverage. Pet Rocks were done by Joeys over 2 weeks to allow time for colour paint to dry before adding dots, stripe and eyes.</p>	

GAMES

Bean Bag Race

Equipment: Small bean bags, 5 players per team, 10 bean bags per team (or 6 per player if playing variation). 1 bin/bucket per team

Played as for potato/orange race. Each team lines up opposite their line of bean bags.

On “go”, player 1 collects 1st bean bag, runs to end of line and places/throws it into bucket/bin, returns to tag next player, who takes 2nd to bin and so on. When all bags are in bin the following player has to take a bean bag from the bin and replace it. Play continues until all bean bags are laid out as before. Team Captain can ensure they are in uniform rows before getting all team seated to finish the game.

Game finishes when bags lined back up and all Joeys sit down.

Variation: Played as above with 1 player replacing all bags (depending on number of players)

Smarties Game

Equipment: bowl, 1 packet smarties

Joeys sit in semi-circle; leader sits opposite holding bowl of smarties. 1 Joey, “it”, is withdrawn whilst group nominates a smartie colour. “It” returns and tries to guess the secret colour by choosing a smartie of that colour from the bowl.

If “it” chooses the wrong colour they are commanded to eat that smartie and choose again. “It” keeps eating through the smarties until they get the right colour and eats that one. Leader chooses next Joey to be “it”. Game continues until all Joeys have had a turn.

Alternatives: Use skittles or mini jelly beans where chocolate or milk allergies apply, keeping in mind that those lollies take longer to eat.

Joeys can be withdrawn in pairs where mob is large or for bring-a-friend/bring-a-Dad night.

CRAFT

Equipment/materials: Split pins, scissors, staplers, tape, pva glue, assorted boxes, etc. Gift boxes (Jackie)

Ladybug Rocks

What you need

- Smooth, round or oval rocks, washed and dried
- Acrylic craft paint in colors of your choice
- Black acrylic craft paint
- 2 wiggle eyes for each ladybug
- Black Sharpie marker
- Acrylic matte sealer spray
- White craft glue

How to make it

1. Completely wash and dry all rocks.
2. Paint rocks in desired colors, allow to dry. Apply second and third coats if needed. Lighter colors will require more coats than darker shades.
3. Paint head on using black acrylic craft paint. There is no pattern needed, simply paint about 1/4 of the rock black in the "front".

4. Use a black Sharpie to draw a straight line down the center of the rock, starting at the center of the base of the "head".
5. Dip the end of a large paint brush, or the eraser of a pencil, in black craft paint. Dot on the spots, reloading with paint after every dot.
6. Once the paint is dry, spray the rock(s) with acrylic sealer spray. Allow sealer to dry completely.
7. Using white craft glue, attach wiggle eyes and let dry.

Helpful Hints

* If you are doing this in a group setting, you may find it easier to prepare the rocks ahead of time. Wash, dry and apply a coat of Liquitex Basics Gesso (white) to each rock. This is a craft medium that works well with many projects. It will also create a base so that less coats of color paint will be required.
