## **GAME**

### **Winter Hokey Pokey:**

**Same as normal Hokey Pokey. ie., all in circle but instead of hands etc., we sing:**

**Left and right glove & Left and right ski jacket (hands and arms)**

**Left and right boots & left and right leg warmers (feet and legs)**

**Wooly Hat (head)**

**Snowsuit (body)**

**You put your left glove in, you put your left glove out, you put your left glove in and you shake it all about**

**You do the Winter Hokey Pokey and you turn around**

**That's what it's all about**

### **Chorus:**

**Whoaa do the Winter Hokey Pokey**

**Whoaa do the Winter Hokey Pokey**

**Whoaa do the Winter Hokey Pokey**

**Knees Bent, Arms stretched, Raa! Raa! Raa!**

**Etc, etc,**

## **SONGS**

### **Long-Legged Sailor**

Have you ever, ever, ever in your long legged life (action: stand on tippy toes),

Seen a long legged sailor with a long legged wife?

No, I've never, ever, ever in my long legged life,

Seen a long legged sailor with a long legged wife.

Have you ever, ever, ever in your bow legged life (action: bend & bow knees outwards)...etc

Have you ever, ever, ever in your knock-kneed life (action: bring knees together)... etc

Have you ever, ever, ever in your long legged life (combine all 3 actions!)

Seen a bow legged sailor with a knock kneed wife?

No, I've never, ever, ever in my long legged life

Seen a bow legged sailor with a knock kneed wife.

### **MY BONNIE LIES OVER THE OCEAN** (traditional words and music)

My bonnie lies over the ocean

My bonnie lies over the sea

My bonnie lies over the ocean

Oh bring back my bonnie to me.

Bring back, bring back,

Oh bring back my bonnie to me, to me

Bring back, bring back,

Oh bring back my bonnie to me.

Actions: start sitting or squatting down. Stand on next word that starts with a B, then sit on next B word, up, down, up, down with each B word.

**STAR OF THE EVENING** an action replacement song- sing once through, then each verse replace the action words only with the action. So you sing “well you..... and you.....and the.....” with action in between.

Well, you push the damper in            *two hands pushing forward*

And you pull the damper out            *two hands pulling out*

And the smoke goes up the chimney just the same    *twirl hand upwards*

(repeat first 3 lines)

Star of the evening                    *make diamond in the sky*

Shining on the cookhouse door        *hand to forehead, looking yonder*

(repeat the last 2 lines)
